

Knowsley Landlord Accreditation Scheme

Mutual exchange

You can swap your home with another housing association tenant in Knowsley or anywhere else in the country, as long as your landlord agrees.

- A mutual exchange will give you a wider choice of location, size and type of housing.
- It can improve the suitability of finding a new home.
- It may be quicker than applying for a transfer or bidding on a property through Choice Based Lettings.

How can it be arranged?

- Through a friend, word of mouth or by putting an advert in a newsagent's window.
- Through the internet.
- Through the housing waiting list of tenants who would like to move.

HomeSwapper

HomeSwapper.co.uk is the UK's largest service helping people swap homes. In the past year HomeSwapper has helped over 25,000 tenants move home. HomeSwapper is free for Knowsley tenants.

How does it work?

- Finds matches for you.
- Alerts sent by email or text message.
- You can make contact with other tenants if you are interested in their property.
- Complete an application form which can be found at your local housing office.

If you do not have access to a computer, the Housing Options Overcrowding or Under occupation Officer can assist you with accessing mutual exchanges in your area.
